Useful Information for the Political Science Major

Freshmen and Transfer Students
There are no departmental requirements for entering freshmen. Students planning to transfer to the university from two-year colleges should take the basic introductory political science courses offered at those institutions. At least 20 credits in upper-division graded political science courses must be completed in residence at the University of Oregon to qualify for a B.A. or B.S. degree in political science. Transfer students must meet the subfield distribution requirement.

Second Bachelor's Degree or Second Major
Students who want to earn a second bachelor's degree or a second or double major in political science must complete 48 credits in political science, as outlined above under Major Requirements. Students who are considering a second bachelor's degree and have prior political science credits, should consult with the undergraduate advisor, as some prior political science credits may not be applicable to a second bachelor's degree.

Honors in Political Science
Junior and Senior standing Political Science majors with a major GPA of 3.7 and a cumulative UO GPA of 3.5 are eligible to participate in the department's Honors Program. The Honors Thesis is a year long research project based within any specific area of Political Science that interests the student.
